

AUMA NORM MULTI-TURN ACTUATOR

SKU: AUMA NORM

1

PRODUCT DESCRIPTION

AUMA NORM: Remote control: To be connected with external control panel/system.

Freedrain supplies the needed wiring diagrams. Connecting the actuator to the power and/or external control panel/system needs to be done by an electrician.

Freedrain is dealer of AUMA electrical actuators. We are in close contact with Auma and we will advise which type of actuator will suit the best for your project.
